

# How to get to Kilburn Infant & Nursery School

The Flat  
Kilburn  
DE56 0LA

**If you can - please walk to school.**  
Walking is a great way to keep fit and it helps to keep the school gates free of cars. This makes it safer for children, it's also good for our neighbours and the environment. There is a footpath ----- from Prospect Road, behind the One Stop shop, which goes to the Flat.

Belper

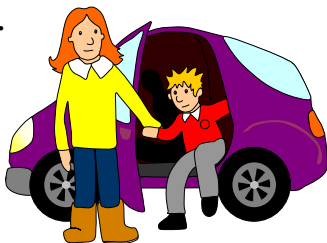

Please have consideration for our neighbours and don't park on Top Farm Court

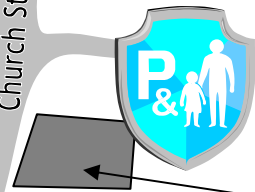

A609 Bywell Lane

**If you arrive by car**  
Could you share your car journey to help reduce the number of cars around school? Contact school to see if we can help you find a car share partner.

Church Street

**If you arrive by car**  
You **MUST NOT** park on the zebra crossing or on the white lines around school. By law these lines must be kept clear. It also helps the crossing patrol.  
Please do not park or stop over the entrance to The Flat. Also please don't drive along The Flat.  
Could you park away from school and stride from the Village Hall car park off Church Street?

**If scooting to school saves a car journey why not think about travelling this way?**

You can park your scooter in our scooterpods on the playground. Remember to be Scooter Smart, look out for people using the pavement, walk across the road with your scooter and please do not ride around the playground as we don't want anyone to get knocked over!
