Guidelines for School Information Retention

Introduction

These guidelines have been produced by Derbyshire County Council to assist schools in the management of their records. The guidelines outline the recommended retention periods for schools based on legislation and common practice.

It is the responsibility of schools to retain their records for the appropriate retention period, or to transfer their historical records (those specifically highlighted in this document) to Derbyshire Record Office as the archive service for Derbyshire County Council.

The retention guidelines produced in this document are some of the key retention periods which need to be considered. For a comprehensive list of retention periods schools should consult the *Retention Guidelines for Schools* produced by the Information and Records Management Society (available at <http://www.irms.org.uk/resources/848>). If the records you are managing are not mentioned within this guidance document please consult the *Retention Guidelines for Schools*.

Explanatory Notes

The retention guidelines will outline a description of records, followed by the action to be taken in (e.g. retain for 3 years). This will be based on an event/action which will trigger that retention action (e.g. date record created). The disposal action will either be the destruction of the records, or their transfer to another organisation (either another school, or as archives to Derbyshire Record Office).

These guidelines may include references to records which are no longer routinely created as part of school business (e.g. log books). These have been included to assist schools who have a large backlog of historical records which require reviewing.

Under the Freedom of Information Act 2000 LEA schools (including schools which are granted academy status) are regarded as public bodies and are subject to the Act. This requires that schools manage their records appropriately against agreed retention periods.

Sources of further information

For specific queries regarding records retention periods please contact Derbyshire County Council's Corporate Records Manager by emailing records.management@derbyshire.gov.uk or telephone 01629539203.

For queries about transferring records to the Children and Younger Adults Department please contact the CAYA Data Protection and Freedom of Information Officer on CAYAFOI@derbyshire.gov.uk or telephone on 01629536470.

When considering transferring records to Derbyshire Record Office schools should contact an archivist at the record office to seek advice on how to go about transferring records. Email: record.office@derbyshire.gov.uk or telephone 01629538347.
